Institutional Distinctiveness

“Socio-economic upliftment of First-generation learners and Women Empowerment through Quality Education”

To disseminate value-based education and uplift the vocational skills of rural masses for their holistic development. The college was established By our founder late Dnyandeo Mohekar Guruji in response to the dire needs of the young generation of peasants and the landless workers, and poor and downtrodden inhabitants of the region, who instead of academic brilliance had no hope for higher education. The college fulfills its mission of creating an educational environment for the spiraling development of such people under the scholarly guidance of the pioneers, President and Management, Principal, Teaching, Nonteaching staff and with proper representation of students in various committees and activities. The distinctiveness of the institution lies in the “Socio-economic upliftment of First generation learners and Women Empowerment through Quality Education”. Shikshan Maharshi Dnyandeo Mohekar Mahavidyalaya Kalamb, Dist Osmanabad Maharashtra is established in the year 1969 as Private Educational Institute to provide higher education to build career in the field of Humanities, Science and Commerce. The College main Aim and Objective is to educate students of poor peasants, farmers, tribals, and minority. A majority of the college students are first generation learners from remote, rural areas of the region. Due to orthodox and conservative background of the populace most of the girls were not allowed to attend or enroll higher education especially in a co-education college like ours. The college organizes the women empowerment programs for making them confident enough to struggle the battle of life. Various eminent woman personalities are being invited for the guidance on several issues. Special health related Seminars, Mahila Melava, Self-defense and various other co-curricular and cultural activities. Health check-up camps, Surakshit Mata camp, have been organized to find out the health issues and provided them with Government and private hospital help in the

form of consultancy. It has successfully been marching ahead and taking efforts endlessly for the betterment of socioeconomically backward section of the society. The institute has been playing a vital role in the development of such students through the means of education. Around 70-80 % students enrolled in the college belong to economically and socially backward section of the society. The students come from nearby villages in the catchment area of 35 km (Para, Bhogji, Yermala, Khamswadi, Khondla, Itkur) etc. nearby villages. We feel proud to mention that the college has made commendable contribution in shaping careers of its thousands of students and played an astonishing role in the overall development. The students have been benefited from the quality education provided by the college and attained the good positions in academic, social, political, cultural, sports, etc.
