## Action taken report on Feedback 2020 - 2021

Feedback was taken on curriculum for the year 2020-2021 online from students, teachers, alumni and employers. However, looking at the feedback given by students and teachers, the following measures were taken for appreciation and suggesting certain changes in the curriculum of the University.

The teachers were appreciated for effective implementation of short-term certificate courses during 2020-2021. All HoD's were informed to convey the essence of the feedback to the relevant BoS at the affiliating university. During covid pandemic period most of the feedback collection and analysis were done by online mode.

Feedback was to be given to the BoS of the affiliating university paper wise as well as program wise for certain specifications. The teachers were advised to use the feedback forms as the base for their analysis of the feedback meaning the issues addressed in the feedback as questions are to be considered minimum parameters to be considered as basics.

HoD's were instructed to continue the short-term courses run during the academic year 2020-2021. The affiliating university appreciated the efforts of the college towards evaluation of attainment of POs and COs evaluation of online exams done by the college in the form of survey.
