Action taken report on Feedback 2021 – 2022

Feedback was taken on curriculum for the year 2021-2022 online and offline from students, teachers, alumni and employers. After evaluating the feedback given by students and teachers, the following measures were taken for appreciation and suggesting certain changes in the curriculum of the university.

A meeting of HODs was conducted to discuss the feedback analysis. All HoD's were informed to convey the essence of the feedback to the relevant BoS at the affiliating university. Respective course teachers are informed by Hod to take proper suggestion and actions.

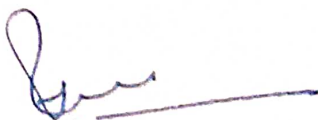

Feedback was to be given to the BoS of the affiliating university paper wise as well as program wise for certain specifications. The teachers were advised to use the feedback forms as the base for their analysis of the feedback meaning the issues addressed in the feedback as questions are to be considered minimum parameters to be considered as basics. Besides the feedback on the curriculum, the feedback on attainment of Pos and COs were taken and conveyed to all faculty members and the academic section of the affiliating university. HoD's were instructed to continue the short-term courses during the academic year 2021-2022.

Library is well equipped with digital such as M-OPAC, QR Code, E- Library Visitor management reading room (User tracking mode), in reference section, continue earn and learn scheme.

It is decided to actively participate in the formation of the new syllabus in CBCS. Suggestion and improvements in the revision of the current syllabi are to be given to respective BoS. CBCS pattern is to be implemented by the university. It has been already implemented in the faculty of commerce.
