This agreement represent a mutual understanding and establishes a strategic partnership for implementation of learning and development need of students at 11 and 12th level in the field of plant sciences.

I) Parties:

The parties to this understanding are Shikshan Maharshi Dnyandeo Mohekar Majhavidyalaya Kalamb, Dist- Osmanabad Maharashtra as a representative for guidance and facility providing for plant tissue culture, Plant Pathology, Molecular Biology and Developmental Botany facilities are available with the institute and here in after referred as Shikshan Maharshi Dnyandeo Mohekar Majhavidyalaya Kalamb, Dist- Osmanabad and Dnyanodyog Junior College Yermala, Tal- Kalamb, Dist- Osmanabad. As a representative for guidance and facility providing for streams of Science and facilities available with the institute.

II) General responsibilities for both parties:

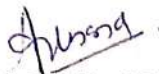

1. The parties will work together to conduct guest lectures in the field of Angiosperm Taxonomy, Plant Pathology, Plant Tissue Culture, Molecular Biology and Development Botany.
2. Parties will work together to conduct practical in Subject Botany.
3. Both parties agree to share their knowledge in life science.
4. To organize carrier oriented programme.
5. For progression of student from 12th to UG.

This linkage is effective on the data of the last party signature; The linkage shall be for 5 years and may be renewed upon mutual agreement. Amendments will be made as deemed necessary and agreed to by the signing parties. The linkage may be terminated by either party with notification to other party, six month prior to the effective date of termination.

Methodology

1. Experiment.
2. Lecture by PPT.
3. Practical demonstration.
4. Discussion.

Learning Out come

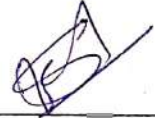

1. Students able to examine the common features of angiosperm.
2. Able to understand the process of photosynthesis and respiration.
3. Explain the necessity of cell division in living things.
4. Analyse and evaluate the possible consequence of current technology in science.
5. Understand and apply the knowledge in real life.
6. Practical reflection.
7. Interpretation on experiment.
8. Development of reflective thinking skills in student.

Topic covered under this activity

- 1) Photosynthesis and Respiration
- 2) Biotechnology: Process and application.
- 3) Genetics, reproduction in Angiosperm.

Practical

- 4) To study flower parts.
- 5) To study different stomata.
- 6) To prepare a temporary mount of onion root tip for study of mitosis.
- 7) To study pollen germination on slide.
- 8) To demonstration anaerobic respiration.

II. Obligations of the Parties

To implement the MOU the parties commit themselves to provide necessary conditions:

- 2.1. Both sides will maintain ongoing communication and circulate essential information in a timely manner.
- 2.2. Both parties agree that all financial agreements necessary to implement this MOU must be negotiated and will depend upon the availability of funds. Neither institution shall have any financial obligation to the other institution based on this Agreement.
- 2.3. Realization of separate concrete research projects within the frames of the MOU will be stipulated in separate, Specific Agreements.

III. Term and Order of Action

- 3.1 This MOU will become effective upon the date of signature by the representatives of the institutions and, if applicable, approval by appropriate authorities.
- 3.2. Either party wishing to make changes or terminate the MOU shall notify the other partner in writing of such intentions no later than three months before the suggested changes should go into effect.
- 3.3. Each party reserves the right to unilaterally terminate the MOU should the other partner fail to fulfill its responsibilities as stated herein.

IV. Responsibilities of the Parties

- 4.1 Each party acts on its own behalf in all relations with a third party. Neither party will be responsible for any outside commitments of the other party.
- 4.2 The parties shall remain independent of one another and nothing herein shall be construed or interpreted, by implication or otherwise, to form a partnership, agency, joint venture or other formal business association.
- 4.3 Both institutions subscribe to the policy of equal opportunity and do not discriminate on any basis, including but not limited to race, caste, sex, age, ethnicity, religion, or national origin.
